## **AMENDMENT OF BYLAWS**

These printed Bylaws were last amended on August 8, 2014. Updates to these Bylaws since the last printing can be found at the Nashoba Valley Youth Soccer League website: [www.nvysl.org](http://www.nvysl.org). These bylaws may be modified by a majority vote of the NVYSL board at any scheduled board meeting.

The NVYSL board may make a change in the operation of the league on a single season trial basis without changing the bylaws. If it does so, member clubs will notified of the change in a timely manner.

## **DUE PROCESS**

For any potential finding or action by the NVYSL more serious than proscribed by the bylaws against one of its members, the NVYSL will assure that said member is afforded due process in the form of an open public hearing on the matter in question. An NVYSL member is any one of a town club, a coach, a player or a club official, or a duly elected or appointed NVYSL board member, all of whom are affiliated with Mass Youth Soccer for the current soccer season. Said hearing must be scheduled to allow the party(s) involved the opportunity to attend the hearing, with a minimum of 72 hours notice required. If the party(s) decline to attend with good cause and do not propose an alternative date and time, they waive their right to due process.

Similarly, a town club as a member of the NVYSL will assure due process for any potential finding or action against one of its members or the NVYSL itself.

Any action by the NVYSL or its officials in exact compliance with written bylaws is not subject to due process. Examples of actions to which due process does not apply include one-match player or two-match coach suspensions for dismissal from a match, match forfeiture fees, late score reporting fines, and town club probationary status for failure to meet required obligations to the league or to Mass Youth Soccer.

## **RULES OF PLAY**

Current FIFA International Laws of the Game shall govern play with exceptions as noted. Coaches and other interested parties may obtain an electronic copy of the Laws from the referee section of the US Soccer Federation web site, <http://www.ussoccer.com>.

## **AGE GROUPING**

For the fall 2014 and the spring 2015 playing seasons, players shall be grouped as follows:

- Under 19 years of age on 31-July.-2014
- Under 18 years of age on 31-July.-2014
- Under 16 years of age on 31-July.-2014
- Under 14 years of age on 31-July.-2014
- Under 12 years of age on 31-July.-2014
- Under 10 years of age on 31-July.-2014

To meet US Youth Soccer and Mass. Youth Soccer requirements, no exceptions will be approved to permit players older than the given age to play in any age group except that:

- An age exception may be granted under the Americans with Disabilities Act, subject to formal documented proof.
- The NVYSL Roster Registrar may grant an age waiver (at the request of a town only) to a child who is grade-appropriate for the age group but is otherwise too old for the age group, subject to two conditions:
  - o The team on which the child plays is placed in Division 3 (Recreational)
  - o The age group in which the child is playing is U-14 or younger.

For purposes of determining grade-appropriateness, a child who is not age-appropriate must be in Grade 8 or below to play in U-14, Grade 6 or below to play in U-12, or Grade 4 or below to play in U-10.

## **LEAGUE STRUCTURE**

The NVYSL offers three categories of play. The MTOC1 Group is for teams to compete to represent NVYSL at the Division 1 MTOC Tournament in the spring season. The MTOC2 Group is for teams to compete to represent NVYSL at the Division 2 MTOC tournament in the spring season. The Recreational Group is Non-Outcome based play for U10 and Outcome based for U12 and older.

- Recreational Group play is offered for U10
- MTOC1 Group, MTOC2 Group, and Recreational Group play are offered for U12 and U14
- MTOC1 Group and MTOC2 Group play are offered for U16 in the spring season
- MTOC1 Group play is offered for U18 and U19 in the spring season
- Recreational Group play is offered for high-school-age players in the fall season

A minimum of four teams will be required to have regular competition in each Group unless the Board makes a specific exception.

In the spring season the League representatives to the MTOC tournament will be based on the results of play in the end-of-season NVYSL Nashoba Cup (NCup) Tournament.

U18 and U19 teams may be combined by the League into common flights to provide viable play. A team declared as U19 must finish high enough in a combined U18/U19 flight to be the NVYSL U19 representative at MTOC, or else a U18 team finishing higher in the standings will represent the NVYSL as U19. Whether by regular season standings or by playoffs as decided by the NVYSL board, the normal order in which U18/U19 MTOC slots are awarded is as follows: first place – U18 NVYSL champion, second place – U18 NVYSL wildcard (when available), second/third place - U19 NVYSL representative. If a team(s) declared as U19 finishes higher than third, the order of awarded MTOC slots changes accordingly.

## **CLUBS IN GOOD STANDING**

A NVYSL member club is in good standing with the League if (1) it has satisfied all its financial obligations to NVYSL and Mass Youth Soccer and (2) it is not under suspension by NVYSL. If a club is not in good standing at the date of COMPLETION of the scheduled spring season, then teams from that club are not eligible to represent NVYSL in the MTOC or other tournament. The NVYSL replacement team shall be selected from the other teams in the division in accordance with League Standings Bylaw.

## **MANDATORY LEAGUE MEETINGS**

The league requires mandatory attendance by a town soccer club official (e.g. League Representative, President, Vice President, Referee Director, Registrar) duly registered with Mass Youth Soccer at each of two scheduled pre-season meetings prior to the fall and spring seasons. Town soccer clubs not in attendance at a mandatory meeting will be fined 10% of its team registration fee for that season, plus any expenses incurred by the league to provide printed and other materials to the club. The fine may be waived by unanimous vote of the NVYSL board if there are extenuating circumstances.

Pre-season meetings provide necessary direct contact between league and town officials, and they provide the means to distribute league books, approved team rosters and other materials to town clubs.

Clubs registering only high school 8v8 teams in the fall season or recreational 11v11 teams in the spring season are exempted from attendance, are encouraged to attend, and may be required to attend a separate mandatory organizational meeting.

## **TEAM REGISTRATION PROCESS**

The NVYSL team registration process consists of the following series of events according to the NVYSL calendar for the current season.

Preliminary Team Registration Date. Each member club submits its preliminary list of teams along with any

requests for exceptions to the League placement rules. This provides both the League and the member clubs a clear picture of which competitions are viable and of any exceptions to the placement the League must consider. The League will review all waiver requests and inform the clubs of their decisions prior to the final team registration.

Final Team Registration Date. Each member club submits its final list of teams and field assignments.

Late Team Registration. A team may only be added after the Final Team Registration Date with League approval. If a team is added after the final registration date, then an additional \$250 late registration fee per added team shall be assessed. This fee covers the penalty and any rescheduling costs.

Late Team Withdrawal. If a club withdraws a team after the Final Team Registration Date, then a \$500 late withdrawal fee shall be assessed for each withdrawn team. This fee covers the penalty and any rescheduling costs. The registration payment shall be returned to the club.

Initial Roster Submission Date. This is the date on which teams are required to submit their initial team rosters to the League for certification. If a valid initial team roster is not received by the League Roster Registrar by this date, then a \$25 late roster submission fee shall be assessed for each team that is late. A valid roster must have (1) the minimum number of players for a match and (2) a coach.

Initial Passcard Submission Date. This is the date on which teams are required to submit their passcards (if required) to the League for certification. If a valid set of team passcards (if required) is not received by the League Roster Registrar by this date, then a \$25 late passcard submission fee shall be assessed for each set of team passcards(if required) submitted late.

Club Affiliation Date. Each club must be affiliated by Mass Youth Soccer before any of its teams are permitted to participate in NVYSL matches. If a club is not affiliated on or before the Club Affiliation Date, then that club shall be assessed a \$100 fine. If a club is not affiliated before its first scheduled League game, then that club shall be assessed an additional \$200 fine. In addition, the club shall be placed on League probation for the next two seasons of League competition. If a second offense occurs in either of the next two seasons during the probation period, then the Sportsmanship Review Committee will determine an appropriate action.

Final Fee Payment Date. Each club must have all its registration fees and past fines paid in full before they will be permitted to participate in NVYSL matches. If a club has not paid its registration fees and past fines in full on or before the Final Fee Payment Date, then that club shall be assessed a \$100 late payment fee. If a club has not paid its registration fees and past fines in full before its first scheduled League game, then that club shall be assessed an additional \$200 fine. In addition, the club shall be placed on League probation for the next two seasons of League competition.

## **COMPETITION COMMITTEE**

Purpose: The purpose of the Competition Committee is to provide the most even competition among teams.

Membership: The Competition Committee will be composed of the President, Team Registrar, Roster Registrar, and the Age Directors, and others knowledgeable of the sport and the league, who will be appointed by the President.. Age Directors will make recommendations regarding team placement decisions. The President will serve as chairperson. Member clubs will be informed of placements different than originally requested on a timely basis, and have the opportunity to appeal placements.

## **TEAM PLACEMENT**

Clubs may submit teams in any Group that is offered. U10 teams will be placed in flights by the U10 Directors based on previous records to provide the most even competition. MTOC teams will be placed in MTOC1 and MTOC2 Groups by the Competition Committee based on the team records the previous spring and previous fall and any other information deemed appropriate by the Competition Committee. The placement of MTOC teams in flights within a MTOC Group will be by random draw. U12-U19 Recreational Group teams will be placed in flights as determined by the Age Director and the Competition Committee. In the Recreational Group, consideration will be given to a club request to place multiple club teams in separate flights.

## **TEAM COMMITMENT**

Any team refusing to play in a playoff, or refusing to represent the NVYSL in a post season tournament (MTOC or other league-sponsored tournament entry) will forfeit its right to the division championship and to all awards.

If NVYSL suffers a monetary loss for such default by its tournament team, the team's town or club organization will be required to make good for the loss. Said loss may include fines levied on the NVYSL for non-participation of its team, tournament entry fees and fines imposed by the tournament sponsoring organization for match forfeits.

The Competition Committee may impose additional sanctions after review.

## **TEAM ELIGIBILITY**

### Residency

At least 75 percent of the players on a team must reside in towns served by NVYSL for the team to be eligible for NVYSL play. For the purpose of team residency, a school choice player is considered to be a resident of the town where the choice school is located.

### Responsibility of Club and Coach for Team Eligibility

The club and coach of a NVYSL team are responsible for verifying that the team is in compliance with these team eligibility rules.

## **COACH ELIGIBILITY**

A head coach **MUST** be at least 18 years of age by the date of the first match played by his or her team at the start of the season.

A head coach or assistant coach cannot also be a player on his or her team.

A person younger than 18 years of age may be rostered as an assistant coach of a team on which he or she is not a rostered player.

An affiliated adult, at least 18 years of age, must be present on the team sideline at each match played by a team. In the event that the team has no rostered adult coach available for a match, an adult affiliated with the team's club may serve as the responsible coach for the match. This adult must present evidence of his/her club affiliation to the match referee by means of a coach passcard from another team, a roster from another team with said adult as coach, or a driver's license matching the name and address of one of the club officials shown in the current NVYSL book. For purposes of this by-law, "affiliated" also means formally affiliated with Mass Youth Soccer.

A team that does not meet these requirements for its coach cannot play in the NVYSL.

## **PLAYER ELIGIBILITY**

### Residency

A player is eligible for a NVYSL team of a member club if he/she meets any **ONE** of the following criteria:

1. The player resides in the town(s)\* served by the NVYSL club.
2. The player is a full time student at a school located in the town(s)\* served by the NVYSL club.
3. If a player resides in a town which has no soccer club, or which does not offer play in the player's gender/age group during the season under consideration, or which does not have an open roster slot in the player's gender/age group, said player may freely choose any team in the state.
4. If a player has played for NVYSL teams of a NVYSL club for at least the last two consecutive playing seasons of that NVYSL club, he/she is eligible to continue playing for that club.
5. An Under-15-and older player who resides in a town served by a multi-town regional high school may play for a team in any town served by the school. Specific exclusions from multi-town schools include

charter schools, vocational high schools, and private high schools.

6. A player who plays on a high school team for a school different than his/her own through an MIAA-sanctioned cooperative arrangement may play on the team of the town where the school is located.

In all cases except number one above, supporting documentation, as stipulated by the NVYSL Board, must be submitted with the team roster. In particular, if a player resides in a town outside the NVYSL, then a written release must be obtained from both (1) the President of the soccer club that serves that town and (2) the President of the soccer League that serves that town.

- NVYSL clubs serve only the town in which they are located unless they are defined by NVYSL to be Multi-Town Clubs. The NVYSL Multi-Town Clubs are:
  - Athol serves Athol, Orange, Royston, Petersham, and New Salem
  - Ayer-Shirley serves Ayer and Shirley
  - Chair City serves Gardner, Templeton, Baldwinsville
  - Groton-Dunstable serves Groton and Dunstable
  - Harvard serves Harvard, Still River
  - Nashoba United serves Bolton, Lancaster, and Stow  
(MTOC Division 1 only)
  - Oakmont serves Ashburnham and Westminster
  - Townsend-Ashby serves Townsend and Ashby

The intent of the Player Eligibility by-law is to protect the interests and choices afforded to a player, not to give a club a claim to a player.

#### Single Team Rostering in NVYSL

A player may not be rostered on more than one NVYSL team at any given time. A player may not be rostered on a NVYSL MTOC1 Group or a NVYSL MTOC2 Group team and an MTOC eligible team from another League at any given time.

#### Dual Rostering on Select Club Teams

Per current Mass Youth Soccer rules, an NVYSL player U14 or younger may be dual rostered on a Region One, New England Premiership, MAPLE or MASC team. NVYSL players U15 and older cannot be dual rostered on a Region One, New England Premiership, MAPLE or MASC team, or any team declared for the Massachusetts State Cup, or any team playing in a league whose champion gains direct placement in the US Youth Soccer Region One Championship Tournament. A Region One, MAPLE, New England Premiership or MASC player U14 or younger may be rostered on any NVYSL team, regardless of the age of the NVYSL team.. Mass Youth Soccer rules supercede this section.

#### Responsibility of Club and Coach for Player Eligibility

The club and coach of a NVYSL team are responsible for being aware and making the players aware of all League eligibility rules. The club and coach are also responsible for verifying that all players on the team are in compliance with these rules.

### **VALID TEAM ROSTERS**

For 11v11 play the maximum size for a team is 18.

For 8v8 play the maximum size for a team is 15.

For 6v6 play the maximum size for a team is 11.

A roster is valid if it is typed, with players' names on the roster in alphabetical order by last name, and includes (1) the Registrar's signature, (2) the official registrar title, and (3) the date of the validation. In addition, blank lines for additional players shall be crossed out.

Coaches are responsible for making sure that the correct player numbers appear on the rosters for each game. Player numbers may be either handwritten or typed on rosters.

For U12 and older, all rosters and roster changes must be validated by the NVYSL Roster Registrar.

For U10, the original roster must be validated by the NVYSL Roster Registrar. Any U10 roster changes involving an extra player, an over-age player, or a non-resident player must still be validated by the NVYSL Roster Registrar. All other *normal* roster changes must be validated by the town/club Registrar.

If processed by a town/club registrar, a copy of the validated roster shall be submitted to the League Roster Registrar before the roster can be used in a league match.

For MTOC1 and MTOC2 teams in the spring season, no over-age players are permitted and there are no exceptions to the maximum roster size of 18. For MTOC1 and MTOC2 teams in the spring season, three roster deletions (dropping a player from the roster) may be made during the playing season, prior to the roster freeze date established by NVYSL. If a roster has fewer than the maximum number of players on it, players may be added at any time prior to the roster freeze date.

For Recreational Group teams, players may be added to, dropped from, or transferred between teams at any time during the season in accordance with the League Bylaws.

Only players on the roster at the time of validation are permitted to play.

The roster freeze date for MTOC1 and MTOC2 teams in the spring season is midnight on either the Friday prior to the seventh scheduled week of play or the Friday prior to Memorial Day, whichever occurs first during the spring season.

## **VALID PASSCARDS**

For the SPRING playing season, a passcard is required for each player on an MTOC team. Passcards are not required for players on Recreational teams. For the FALL playing season, player passcards are not required. All NVYSL coaches will be issued passcards which they will use to identify themselves as coaches at all matches. Coach passcards will be required for both the Fall and Spring seasons. On an exceptional basis, a coach may identify him/herself with another form of photo identification such as a driver's license.

Passcards must have all player or coach information typed on the front, with a photo of the player or coach on the back. A passcard is valid only if the non-photo side has (1) the NVYSL Roster Registrar's signature and (2) the official registrar title, and it is laminated in plastic. Coaches are responsible for separating laminated sheets of passcards into a deck of individual pass cards prior to the first scheduled match of the season, and for putting the passcards in alphabetical order by players' last names with coaches' passcards first for each match.

## **TEAM ROSTERS AND PASSCARDS FOR GAMES**

The coach must provide two (2) validated copies of his team roster and passcards (required for spring MTOC teams) to the referee prior to each NVYSL match. Only players named on a valid team roster may play. See the previous sections entitled VALID TEAM ROSTERS and VALID PASSCARDS.

If a team shows up without a valid roster, then the coach must provide a handwritten list of all participating players their dates of birth and jersey numbers to the referee before the match so the referee can check them in and the match can be played. The referee must submit this list as a substitute roster with the match paycard to the referee paymaster. The coach must also send by US mail no later than the next day a copy of his official valid roster and a \$25 check payable to NVYSL to the referee paymaster. The paymaster will check the official valid roster against the written list provided by the referee and give a summary report to the League President. For each case, the paymaster will be paid a \$10 processing fee. If the coach does not comply with this, then the game will be a forfeit and the team will be assessed the \$25 forfeit fee.

If a team forgets its passcards, then the referee shall note this in his report to the paymaster. The coach must also send by US mail the next day his passcards and a \$25 check payable to NVYSL to the referee paymaster. The paymaster will check the passcards from the coach against the roster provided by the referee (or the coach), give a

summary report to the League President, and mail the passcards back to the coach. For each case the paymaster will be paid a \$10 processing fee. If the coach does not comply with this, then the game will be a forfeit and the team will be assessed the \$25 forfeit fee.

## **REFEREES**

Referees attain certification by successfully completing a course run by the Massachusetts State Referee Committee, or other recognized USSF organizations and maintain certification for the current calendar year through annual recertification courses.

Either a one-person system or a three-person system shall be used for League games. The two-person system used by some non-FIFA leagues MUST NOT be used. . If there are only two referees available, their roles are center referee and assistant referee. If the two-person system is used, the result of the match will not count in the standings.

In accordance with FIFA laws of the game the referee may stop, suspend, or terminate (abandon) a match. The referee may restart a match after it has been stopped or suspended. The referee may not restart a match after it has been terminated (abandoned). The referee must report the circumstances of an abandoned match to the Competition Committee Chairman (League President).

Referee quality is an important factor to the success of our program. The proper channel to submit constructive comments to the Nashoba Valley Soccer Referee Director is to use the Referee Evaluation Form found on the NVYSL web site at [www.nvysl.org](http://www.nvysl.org). The Referee Evaluation Form cannot serve as the basis for a match protest.

## **REFEREE ASSIGNORS**

Each member NVYSL town club must have a certified Referee Assignor whose duties are to assign referees as required. The NVYSL Referee Assignor must also be certified. Referee assignors attain certification by successfully completing a course run by the Massachusetts State Referee Committee, and maintain certification through annual recertification courses.

## **REFEREE POOL**

Each club, through its Town Referee Assignor, is expected to contribute referees to the NVYSL referee pool, and to encourage the recruitment and development of referees.

## **REFEREE ASSIGNMENT – TOWN OF RESIDENCE**

Referees are paid professionals expected to maintain their neutrality toward the teams on the field, regardless of town of residence of the referee.

## **REFEREE ASSIGNMENT - RESPONSIBILITY**

In the FALL season, the home club Referee Assignor assigns referees to all scheduled games, TBA games, and makeup games.

In the SPRING season, the League Referee Assignor assigns referees prior to the start of the season for U12 - U14 scheduled games (subject to sufficient available referees), and all U16 - U19 games. The League Referee Assignor assigns referees to post-season playoff matches and the Nashoba Cup tournament. The home club Referee Assignor is responsible for assigning referees in case of referee cancellation, for TBA games, for makeup games, and for all U10 games, plus U12-U14 scheduled games that were not assigned by the League Referee Assignor prior to the start of the season. Home club referee assignors may be contacted through the NVYSL web site. The League Referee Assignor is expected to help at the request from a home club Referee Assignor to find suitable referees for these matches. The League Referee Assignor may choose to assign referees for TBA or makeup matches for any reason, and inform the home club Referee Assignor accordingly.

## **REFEREE NO-SHOWS**

If the scheduled referee does not show up at the field for the match, the opposing coaches have the following options.

1. Agree on a single substitute referee for the entire match and the match counts in the standings.
2. Do not play the match and set a make-up date.

If the match is played with a substitute referee, then no protests will be heard on the judgment or decisions of the substitute referee.

Matches officiated by non-certified referees are neither sanctioned nor permitted. The NVYSL will not pay uncertified referees and it will not reimburse town clubs for assigning them.

Coaches must report ALL referee no-shows to the responsible NVYSL age director as soon as is practical.

## **REFEREE PRE-MATCH RESPONSIBILITIES**

The center referee is responsible for making sure that the field is in a safe condition prior to the start of a match, checking that goals are properly anchored against tipping over and making sure that the entire playing surface is safe.

The center referee is responsible for checking in each team prior to the start of the match, and may delegate check-in to available assistant referees. Roster check-in includes verifying the coaches' names, checking off the name of each player present, assuring that the correct uniform numbers are recorded for each player, and, in MTOC flights, verifying that the photos on passcards match the person shown on the roster. Any exceptions must be noted by the referee with submittal of game card and rosters for payment. Physical player check-in requires that all players conform to the uniform and equipment bylaw.

## **REFEREE PAYMENT**

If a certified referee shows up at the field for a match for which he/she has been assigned, then that referee shall be paid whether or not the match is played.

NVYSL will not pay non-certified referees.

NVYSL will not pay referees who do friendly matches between two NVYSL teams. The referee(s) for friendly matches must be arranged by the participating clubs and paid by one or both of the participating clubs. In particular, if a NVYSL match is forfeited by one of the teams, then that NVYSL match has been "played" and a "makeup" match is deemed a friendly match.

Referee pay sheets are prepared by the League Referee Paymaster for U12-U19 matches based on pay cards and team rosters submitted by the referee, and referees are paid in a timely manner. Referee payment for U10 matches is provided by the home team club in accordance with the pay scale established by the NVYSL Board.

## **REFEREE SUPPORT**

The coaches shall support referees at all times.

- (1) Coaches are responsible for fan behavior. Any coach who does not comply with a referee's request to deal with a fan shall be issued a misconduct as deemed appropriate by the referee.
- (2) Any fan who verbally or physically assaults a referee prior to, during, or following a game will be subject to a review by the Sportsmanship Committee and may be prohibited from viewing games for a period deemed appropriate. The enforcement of this prohibition will be the responsibility of the town of the fan.
- (3) Any team/town that refuses to provide the name and address of a fan who verbally or physically assaulted the referee will be subject to review of the Sportsmanship Committee and may be denied play in NVYSL as a

result of that review.

- (4) If a coach has a *serious* disagreement with a referee, he/she is expected to adhere to the NVYSL zero-tolerance bylaw before, during and after the game. The coach is expected to express his/her opinions about the referee, stating facts via a REFEREE EVALUATION found on the league website ( [www.nvysl.org](http://www.nvysl.org) ). The NVYSL Referee Director will evaluate referee evaluations and act accordingly. The coach is expected NOT to express his critical opinion outside of these channels, especially by means of emails and verbal communication.

## **REFEREE ASSESSORS AND REFEREE MENTORS**

The NVYSL fully supports the initiatives of the Massachusetts State Referee Committee (MSRC) to advance referees through formal referee assessments and informal referee mentoring sessions done by senior referees. At the request of any referee, the NVYSL Referee Director will collaborate with the MSRC to schedule an assessment of the referee during a match appropriate to the referee's ability, either as an assessment for upgrade or for a general critique. Referee assessors and referee mentors are observers at a field of play and they have no special standing to intervene in the proceedings of a match. If an assessor or referee mentor chooses to intervene due to a perceived safety issue, he/she is expected to do so with considerable discretion and tact.

## **NVYSL ZERO TOLERANCE BY-LAW**

Every coach and all spectators shall support the referee. Failure to do so undermines the referee's authority and has the potential to create a hostile environment for players, the referee, and all the other participants and spectators. Consequently, NVYSL has adopted the following rule:

No coach or spectator is to address the referee during the game!

### **Coaches - Allowable Exceptions:**

#### **During the game:**

- Responding to a referee initiating a communication
- Making substitutions
- Pointing out emergencies or safety issues

#### **At half time or at the end of the game:**

- A coach can ask a referee to explain a rule(s) in a polite and constructive way.
- A coach may give polite and friendly feedback to a referee.
- Absolutely no sarcasm, no harassment, and no intimidation.

#### **Penalties:**

- 1st Minor Infraction - Referee should ignore
- 1st Serious Infraction - Caution or ejection depending on seriousness of infraction per FIFA
- 2nd Minor Infraction - A verbal warning
- 3rd Infraction - Caution
- 4th Infraction - Ejection

### **Spectators –Allowable Exceptions:**

#### **During the game:**

- Responding to a referee initiating a communication
- Pointing out emergencies or safety issues

#### **Penalties:**

- 1st Infraction - Referee should stop the game and ask the coach to quiet the offending spectator.
- 2nd Infraction - A verbal warning. Referee should stop the game and ask the coach to warn the spectator that the next infraction will be an ejection or the referee will abandon the game.
- 3rd Infraction - The referee shall instruct the coach to direct the spectator to leave the field. The referee should abandon the game if the spectator does not leave the field. If the referee abandons the game, the referee shall file a report, and NVYSL may impose a forfeit on the spectator's team.

**Communications among players and referees are governed by the FIFA Laws of the Game.**

## **ELECTRONIC OR MECHANICAL NOISEMAKERS**

Use of electronic or mechanical noisemakers during a match is prohibited. People who use noisemakers are showing their enthusiasm and support for their team, but the other team often sees these actions as unsporting behavior. A match referee has the option to stop a match and request that the coach of a team tell the team's fans to stop using noisemakers.

If a match must be postponed due to weather or unavailable field, the coaches must agree on a makeup date and time, then the home team must secure a playable field, take responsibility for contacting the referee assignor, and notify the NVYSL Age Director. For spring season MTOC matches, both teams must notify the NVYSL Age Director at least 72 hours before the rescheduled date/time.

U10, U12, and U14 Conflicts with Academic or Religious Events - A team will be permitted to reschedule a match due to a conflict with either an academic or religious event provided that the town/team involved completes the necessary schedule and game time changes by the start of season play. The team requesting the change shall notify the Referee Director, the Age Director and the opposing team coach prior to the start of the season, or the match must be played as scheduled. Examples include required and planned school functions outside of normal school hours, academic-related events (e.g. College Board testing, National Merit Scholarship testing), and religious classes or events (e.g. C.C.D.). In the event of a late decision by school, religious, or other authorities to add or change the time of an event, the Age Director will decide how to resolve the schedule conflict.

## **MAKE-UP GAMES**

All missed games shall be rescheduled within one week of their scheduled date. A rescheduled game shall be played within two weeks of the originally scheduled date unless otherwise approved by the Division Director.

Each age group will have a designated day of the week to make up its games. These days are as follows;

U10 - Monday  
U12 - Tuesday

U14 - Wednesday  
U16/U18/U19 - Saturday

If the coaches can mutually agree on a different day, it will be acceptable as long as the game is played within the two weeks of the originally scheduled date. Any conflicts shall be discussed with the Division Director.

TBAs will be assigned throughout the regular schedule in flights with an odd number of teams. A TBA should be played within two weeks of its scheduled date. A TBA can be played prior to its scheduled date if agreeable to both coaches.

## **REPLAY OF ABANDONED GAMES**

## LATE ARRIVALS

Each team should arrive at the field at least 30 minutes prior to the scheduled time for the game. If either team is not prepared to take the field by 5 minutes after the scheduled start time or the availability of the field, that team shall forfeit with a 4-0 loss. ## FORFEITS

A team that forfeits a game or games shall be fined as described below. This fee may be waived on a case by case basis by the League President. The fine is payable at the end of the season.

A team that plays less than 70 percent of its games but at least 50 percent of its games shall be fined \$200. A team that plays less than 50 percent of its games shall be fined \$500 and its club shall be placed on probation for the next two seasons. ## TEAMS PLAYING UNREGISTERED OR INELIGIBLE PLAYERS

If a team is determined to have played an unregistered player or registered player not eligible to play on that team for any game, the minimum "penalty/sanction" to be assessed by the League shall be the following:

1. The game or games involving the unregistered or ineligible player shall be forfeited and the League forfeit fine shall be assessed for each game;
2. The town shall be assessed an additional \$50.00 fine;
3. The player shall be suspended from the next game, following notification by the Board, if it is determined that the player "knowingly" played as an unregistered or ineligible player;
4. And the coach shall be suspended from the next game, following notification by the Board, if it is determined that the coach knew of the player's unregistered or ineligible status beforehand;. 5. In the SPRING season three (3) points shall be deducted from the team's point count used to determine League standings.

The Board may assess a more severe penalty or impose sanctions against the player, coach, team, and/or club as the Board deems appropriate after investigating the facts of the situation.

Spectators of both teams shall be located outside the opposite touchline. Spectators are not permitted behind goal areas or lines. All coaches, spectators, and players not on the field shall remain at least 3 feet behind the touchline. When possible, the home club is encouraged to paint additional dashed lines a minimum 3 feet outside the touchlines on both sides of the field. If there is a marked team technical area, coaches and players not involved in active play must remain within its confines. The exceptions are player substitutions and a coach attending to an injured player on the field with permission by the referee to enter the field. This Bylaw shall apply unless physically impossible as determined by the referee.

### SUBSTITUTIONS

- h. See the following section for mandatory removal of a player from the field after receiving a yellow or red card, with substitution only after a first yellow card received by the player.

The substitution rules apply to all NVYSL age groups and levels of play.

To eliminate any uncertainty about a referee's action toward a coach, the referee is advised to show a YELLOW card to a coach along with a verbal statement of caution, or a RED card along with a verbal statement of dismissal, as appropriate. Failure of the referee to show a yellow or red card will not be allowed as a basis for an appeal of the caution or dismissal of the coach.

## **FRACAS**

If two teams are involved in a fracas before, during, or after a match, the teams involved in the fracas will be subject to a mandatory sportsmanship review committee meeting. The findings may include (but are not limited to) suspensions of individual participants, financial penalties as described elsewhere in the NVYSL by-laws, and possible suspension of eligibility for any post-season tournaments in which they represent the NVYSL. For purposes of this by-law, a fracas is defined as a physical altercation involving more than two participants. A participant of a match is any one of the following classes of persons present at the field of play of an NVYSL match: player, coach, assistant coach, or spectator. If either a player or a coach is involved in a fracas, he/she will not be allowed to play/coach in the next game played by his/her team.

## **UNBECOMING CONDUCT**

Player, coach, referee, team or club behavior that is judged unbecoming or inappropriate shall be referred to the Sportsmanship Review Committee for review and action.

## **SPORTSMANSHIP REVIEW COMMITTEE**

Purpose: The purpose of the Sportsmanship Review Committee (SRC) is to promote good sportsmanship within NVYSL and to review issues of (1) lack of sportsmanship; (2) inappropriate conduct; (3) unbecoming conduct; or, (4) serious violation of the Constitution, Bylaws or NVYSL rules.

Membership: The SRC will be chaired by the Sportsmanship Review Officer and shall consist of at least three impartial members chosen by the Chairperson. Membership will have at least as many NVYSL board members as non-board members. Whenever possible, one or more members shall be from outside the NVYSL Board. The Chairperson shall vote only in cases where there is a tie.

Procedure: The Chairperson, when notified of a sportsmanship issue, and after fact finding, shall have the authority to suspend immediately the individual, team, or club pending a hearing by the SRC. The Chairperson shall schedule an SRC hearing after receiving written notification of the sportsmanship issue. Timely notice shall be communicated (at the same time) to all individuals and/or clubs involved. All parties involved will be invited to attend the hearing to present evidence and witnesses. Unless otherwise specified by the chairman, all documented evidence along with a list of attendees and witnesses shall be submitted to the Chairperson at least 48 hours prior to the scheduled hearing. A final decision by the SRC shall be completed within 14 days of the hearing. All SRC actions shall be reported in writing and sent to the parties involved, the President, the Secretary, the Referee Director, and the Division Director. The SRC shall report any activity at the next NVYSL Board meeting.

Conflict of Interest: A member of the SRC shall be disqualified from deliberating or ruling on a particular issue if that member: was involved in the issue; is the spouse of an involved person; has a child playing on an involved team; or is from a town or association so involved. The Chairperson shall appoint acting members to serve in place of those disqualified.

Penalties: The SRC shall have the authority to suspend an individual, a team or a club, to reduce a team's points, or to take any other actions provided for in the Bylaws or Constitution.

Appeal: A decision of the SRC may be appealed to Mass Youth Soccer.

## **PROTESTS**

Protests relating to a specific game may only be lodged by a coach or manager of a team playing in the game. Protests must be in writing and must be sent to the Protest Officer, with the protest fee of \$100, within 48 hours following the playing of the match. The fee will be refunded only if the protest is upheld. Any protest of a championship match must be initiated by notifying the referee or a League officer on the field at the end of the match. **Protests will be accepted for hearing only for games played in the spring season in the MTOC regular season, playoffs, and tournaments.**

The outcome of a match may be protested after it has been played only if either (a) there was an incorrect application of the Laws of the Game or Rules of NVYSL for a specific incident which directly affected the outcome of the match; or, (b) a team plays an ineligible player. A judgment call by the referee cannot be protested. Claims of referee bias or non-neutrality cannot be protested.

Protests relating to the grounds, goals or other appurtenances of the match will not be considered unless an objection has been lodged with the match referee BEFORE the commencement of the match. The referee shall require the responsible team to remove the cause of the objection, if this be possible, without unduly delaying the process of the match.

## **PROTEST COMMITTEE**

Purpose: The purpose of the Protest Committee is to rule on all protests and to determine the disposition of abandoned matches.

Membership: The Protest Committee will be chaired by the Vice President (who is the NVYSL Protest Officer) and must have at least two other members chosen by the chairperson.

Procedure: The chairperson, when notified of a protest, shall cause the committee to fact find and, if necessary, hold a hearing. Deliberations and a final decision will be made in closed session. A decision shall be rendered within 14 days of receipt of all required written material. All Protest Committee actions shall be reported in writing and sent to the parties involved, the President, the Secretary, the Referee Director and the Division Director. The Protest Committee shall report any activity at the next NVYSL Board meeting.

Conflict of Interest: A member of the Protest Committee shall be disqualified from deliberating or ruling on a particular protest if that member: was involved in the game as a coach or referee; is the spouse of an involved coach or referee; has a child playing on one of the teams involved; or is from a town or association so involved. The President shall appoint acting members to serve in the place of those disqualified.

Appeal: A decision of the Protest Committee may be appealed to Mass Youth Soccer.

## **LEAGUE STANDINGS AND GAME SCORE REPORTING**

### Spring Season

League standings and game score records will be kept during the spring season. A team shall receive three (3) points in the standings for a win, one (1) point for a tie and zero (0) points for a loss. Standings points will be deducted for Yellow Card/Red Card / Ejections as described elsewhere in these Bylaws. Each Age Director will have the responsibility of maintaining a record of both game scores and Division standings. The town (club) has the responsibility of sending a game report for all games scheduled for the previous week by the following Tuesday via the NVYSL web site score reporting procedure.

### MTOC Group

NVYSL representative(s) to MTOC tournament will be based on results of play in the end-of-season NVYSL NCup tournament. The number of teams that reach the NCUP will be determined by the number of teams in each flight:

4 teams - 1v2

5 or 6 teams - 2v3, 1 versus winner of 2v3

7 or more teams - 1v4, 2v3, and then finals between the winning teams

Seeding and selection of home field will be based on number of standing points attained during regular season play.

To qualify for playoffs, a team must win at least as many matches as it loses. If there are not enough qualifying teams according to their records, the number of teams in the playoff is reduced.

If teams are tied in standing points for the last (and possibly higher) qualifying position (e.g. 3-way tie), qualification will be determined by one or more playoff matches to be completed prior to the NCup.

If teams are tied in points, the seeding will be determined by the tiebreakers listed in elsewhere in the bylaws.

If the NVYSL is awarded a wildcard for an MTOC gender/age/division, the number of teams qualifying for the playoffs will not change. Playoff dates will be established by the NVYSL board prior to its spring coaches meeting, subject to change due to unplayable fields and ties in standings for qualifying positions.

#### MTOC Group seeding for Nashoba Cup Tournament

The teams will be seeded in the NCUP in accordance with their season records and the tie breaker procedure for seeding, if necessary. For all NCup matches, the higher seeded team will provide will be the home team.

The tie breaking procedure for seeding is:

1. Winner of head-to-head competition
2. Total goal differential (goals scored minus goals allowed) with a maximum differential of 4 goals per match
3. Least goals allowed
4. Coin Toss

Note that in the above tie breaking procedure, all games that count in the standings will be used. In case of a forfeit, the game score shall be 4-0.

#### MTOC Group Tiebreakers for a Spot in NCup tournament

If two teams are tied for a spot in the Nashoba Cup Tournament, then the winner will be determined by a one game playoff at a date and time arranged by the Age Director.

If there are more than two teams tied for a spot in the Nashoba Cup Tournament, there will be a series of games played to determine the representative. For example, if three teams were tied, two of the teams would play each other and the winner of that game would play the third team. The winner of that second game would be the representative.

The ORDER of play will be decided by the tie breaker procedure for seeding above. For example, in the case of the three-way tie, if one of the three teams had beaten the other two during the season (head-to-head), that team would play the winner of a game between the other two teams. If there was no clear cut head-to-head winner, then the team with greatest goal differential would play the winner of a game between the other two teams. If a tie for highest goal differential occurred then the team with the least goals allowed would play the winner of a game between the other two teams. If a tie for least goals allowed occurred, then a coin toss would be used to decide the order.

#### Breaking Ties in Playoff or Tournament Matches

If a playoff or tournament game is tied at the end of regulation play, then, for U14 and below, two 10 minute overtime periods shall be played, for U15 and above, two 15 minute overtime periods shall be played. The teams shall switch ends at the end of regulation play. The teams shall again switch ends after the first overtime period and kick off immediately. There is no break between overtime periods. Both overtime periods will be played to their full duration. If the score remains tied after the completion of both overtime periods, then FIFA rules for penalty kicks shall be used to determine the winner.

#### Fall Season

Records of game scores will be kept during the fall season. These will be used for fall midseason team placement correction, if necessary, and as inputs to spring team placement, where appropriate. Each Age Director will have the responsibility of maintaining a record of game scores.

### Game Score Reporting

The town/club shall post to the NVYSL web site the scores for all games within 72 hours of their completion. The town shall report all matches NOT played within 72 hours of their scheduled playing time. For each week that the game report is not received on time or is not complete, the town/club shall be fined \$25.00.

If a game report is not received within one week of the scheduled game date, one of the following actions will be taken:

1. If one team has reported the score, that score shall be recorded as the final result.
2. If neither team has reported a score, the game will not be recorded and neither team will receive points in the standings. In addition, each team will be assessed the forfeiture fee at the Division Director's discretion.
